W.P. No. 23588, 23593 and 23775 of 1995

COMMON ORDER:-

None represents the petitioners.

Heard the learned Standing Counsel for the Osmania University.

The relief sought for in these writ petitions is to continue the petitioners, who belong to non-teaching staff of the University, up to the completion of 60 years of age.

It is represented by the learned Standing Counsel that on the strength of the interim orders granted in these writ petitions at the admission stage, the petitioners have been continued in service and paid their salaries. It is also represented that the petitioners have completed the age of 60 years during the pendency of the writ petitions and have since been retired. In view of these facts, no further orders are required to be passed as the grievance of the petitioners has abated.

The writ petitions are accordingly disposed of. No order as to costs.
